The Members of Kyudo Chablais thought that you would appreciate being informed of the progress being made in the organization of the events that the FKT have placed in our charge: namely the “FKT Cup – 2016” which will be followed by the « Easter Training Camp ». These two events will be opened to foreign participants and it is for this reason that we have composed this newsletter.

Dates:

The program will be similar to those of the past years: The “FKT Cup – 2016” on Saturday 26 March in the afternoon allowing time for you to arrive on Saturday morning, or the previous day.

The Easter Training Camp will be held on 27 and 28 March 2016. This camp will end in the mid-afternoon on Easter Monday (around

16.00) allowing you time enough for your return travel.

Geographical location:

The event will be hosted in the Haute-Savoie, along the Lake Lemman (Geneva), between Evian-les-Bains and Thonon-les-Bains in the city of Amphion-les Bains, sited in the municipality of Publier. This is where the Evian mineral waters are bottled.

The region is well known for its tourist attractions: the lake, mountain, history, heritage, fauna, flora, gastronomy, balneology, thalassotherapy, leisure activities ... whatever their interest, your travelling companions will find plenty to enjoy during their stay!

Access:

The Chablais Region is easily accessible from Switzerland, Italy, Germany and France. The airport of Geneva is just 50 km away.

You can travel by car, train or even

bus. The train and bus stations of Thonon and Evian are both about 10 minutes by car from Amphion-les Bains. We have on loan from the city of Publier a 9-place vehicle to transport or guests from the stations of Thonon and Evian to their venues.

The Organizer:

« Kyudo Chablais » was funded in April 2002 and has around 15 members this years.

Currently we have in our members 6 women and 8 men. Kyudo Chablais has been a certified association of the French Sports Governing Body since 3 November 2009.

Each year we invite a Sensei to conduct a clinic and/or we invite the Dojos of the region to a common and friendly practice.

In 2012 we organized the «Asiades»; a double event dedicated to the Asian disciplines and arts. The Forum and the evening show attracted some 2500 attendees.

The practice site:
We will practice in the superb hall Athena of the Sport Centre of the Cité de l'Eau (Water city) of Amphion-les-Bains. The flooring is brand new!

Measuring 44 x 35 m, this hall will host 3 Tachis. So you will be able to maximise the benefits of the teachings of the Sensei's present, as a consequence of the concurrent practice schedules.

Accommodation:
There are various accommodation alternatives in our touristic region, we suggest « Ethic étapes Côté Lac Evian »:

<http://www.cotelacevian.com/index-lang-EN.html> it is less than 10 minutes by car from the practice site. It is quiet and offer a magnificent view over Lake Lemán, while being only 5 minutes walk from the centre of Evian. The establishment has recently renovated several of the 72 guest rooms. Depending on the number of occupants in a room, your charges will be as little as:

- 30€/person/night in shared chamber
