

Kyudojo de Noisiel: and its surroundings

► Car parks

Two car parks are conveniently situated nearby the Kyudojo.

- Parking de la Ferme du Buisson, West of the « Ferme du Buisson » buildings.

It also provides parking spots for the SuperU supermarket. But be careful: the further section of the car park (beyond the rear angle of the « Ferme du Buisson » building) is private, and may be closed on some evenings, or Sunday afternoon. It is safer to leave your car in the first section of the carpark.

From the car park walk South until the corner of the « Ferme du Buisson », turn left on the alley until you reach the fence (you can see beyond the fence the Kyudojo and the Azuchi), and continue along the fence until the small thicket (named Square du Verger) which gives access to the Complexe Bernard Légier (tennis)

- Parking « Roller », South-East of Ferme du Buisson, on the right, just before a bridge over a motorway.
